

GAME RESULTS FOR AUGUST 19, 2010

This job is finally paying off, for the second time this season, I finished on the winning team and this time I actually contributed to the team effort. I was not depending on Dave Stone. In fact, Dave Stone did not finish in the money in this event, so I promised him that I would not mention him in my email this week.

The turn out was only 22 players, so the prize money is a bit slim. The results are as follows:

First Place Team, Roger Nielsen, Brad Clark, Frank Motzkus, Robert Fulmer, winning score-- 138, each paid \$12.50.

Second Place Team, Kim Roberts, Michael Peters, Bill Grijalva, Matt Garrett, score 139, each paid \$10.

Third Place Team, Ernie Givani, Randy McDonald, Bob Jenkins, Hunt Holladay, score 145, each paid \$5

Next week is the Golden Tomahawk Competition with Graeagle. First round is Wednesday at Graeagle and second round is at Plumas Pines on Thursday.
