

GAME RESULTS AUGUST 5TH

Okay, I do feel a little guilty about this. But the guilt is quickly overcome by the thrill of winning. Our team was 10 strokes ahead of the team in second. I would like to be able to say that I contributed to our win, but that would be stretching the truth. No, I recognize that most of the team rode our high handicapper like a old plow horse taking us to church on Sunday. He was steady, but not all that comfortable. However, he did the job.

The results are:

First: Roger Nielsen, Brad Clark, Steve Munsen, Dave Stone, net 113, each paid \$17

Second: Jim Rogers, Russ Bowring, Buzz Trainor, Paul Jeglum, net 123, each paid \$11

Third (three way tie):

Barry Mitchell, Ernie Givani, Woody Barry, Michael Sala, net 124, each paid \$5

Marvin Pierce, David Peat, Bauman, Ray Merkel, net 124, each paid \$5

Robert Conen, Hunt Holladay, Claude McColm, Barry Mitchell (blind draw), net 124, \$5

Yes, Barry Mitchell tied himself as he was the blind draw for the last group as selected by Robert Conen. Way to go Barry!!

Next week is the Senior/Super Senior Club Championship on Thursday and Friday. For the two or three non-Seniors there will be the regular low net sweeps on Thursday.
