

GAME RESULTS OF THURSDAY, July 22, 2010

The first round of the Club Championship is in the books. This book is a very slow read, for half of the field, it was a 5 ½ hour read. Marv and I finished at about noon. We waited until almost 3:00 for the last group to finish and then still had a half hour of work on the computer to set up tomorrow's round. Congratulations to Paul Jeglum who leads low gross and low net for the first flight. Apparently, Paul is seeking to becoming a person of interest to this reporter. You may want to talk to Dave Stone about the down side of finishing first.
