

GAME RESULTS FOR JUNE 3, 2010

Finally the planets have gone back to their proper alignment; Dave Stone is not a money winner this week. However, the top winners in their respective flights were Ernie Givani and Richard Melillo. Two nicer gentlemen do not exist in our group, except that Richard has too many "L's" in his last name. Yet, they have taken your money and mine. To add insult to injury Ernie cleaned my clock in the match play.

The first round of match play went well. We have placed a notebook in the men's locker room which contains the ladders for each flight. Please enter the winner of each match and try to enter where in the ladder each participant goes for the next round. This is a double elimination tournament.

The sweeps results are:

1st Flight: First,	Ernie Givani net 68	\$20.00
Second	Barry Mitchell net 70	\$15.00
Third	Steve Munsen net 71	\$10.00
Fourth 3-way tie	Marv Pierce net 72	\$ 5.00
	Larry Walker net 72	\$ 5.00
	Russ Bowring net 72	\$ 5.00
2nd Flight First, 3-way tie match of cards,	Richard Melillo net 73	\$20.00
Second tie	Robert Fulmer net 73	\$15.00
	Jack Heskett net 73	\$15.00
Fourth	Claude McColm	\$10.00

Closest to the pin on 7 was Russ Bowring who slightly squeezed out Kyle Nielsen. Russ, see Brandon for your prize.

Next week is individual par points, shotgun at 8:30 a.m. The format is compatible with playing your match if not done by then.
