

## **GAME RESULTS OF JULY 29, 2010**

We are half way through the season and I have yet to find a game that Dave Stone cannot find a way into the list of the winners. However, I should point out the improvement this week, he and Frank Motkus only finished 4<sup>th</sup> rather than their usual 1<sup>st</sup> place. Additionally, we were spared a trouncing by Paul Jeglum, but only because he did not show since he was playing the Zone's. Maybe we need to send Dave Stone on a vacation.

First was taken by Jimmy Rogers and Jack Cornish, 18 and 16 handicaps, respectfully, who shot 82 and 83, respectfully. That nets out to 8 under and 5 under, **respectfully..**

On the other hand, I played the entire round with the same ball. I must take my small victories when they come.

The results:

1<sup>st</sup> Jimmy Rogers & Jack Cornish, 48 points, each paid \$20

2<sup>nd</sup> Doyle Blaylock & Stew Johson, 43 points, each paid \$15

3<sup>rd</sup> Steve Munsen & John Kidwell, 40 points, each paid \$12.50

4<sup>th</sup> Dave Stone & Frank Motkus, 39 points, each paid \$10

5<sup>th</sup> tie Ernie Givani & Russ Bowring, 38 points, each paid \$8  
and Hunt Holladay & Claude McColm, 38 points, each paid \$8

\$1 goes into the prize fund.

Next week is 4 Man-2 Best Net Balls.
