

## **GAME RESULTS OF THURS., MAY 6, 2010**

Okay, let's try this again: **"Wake up people, it is spring and a new golf season is upon us."**  
(If it snows next week you will have me to blame.)

We played a 2-Man Modified Scotch format followed by a lovely lunch at Longboards. It was a bit brisk temperature wise. Only one player showed the courage to display his pale, winter-bleached legs, Larry Walker. You have to admire his courage. He did finish out of the money, so you may question his decision. The results are as follows:

|  |                      |
|--|----------------------|
| First Place—Steve Munson and Claude McColm,    | net 60, \$24.00 each |
| Second Place—Paul Jeglum and Roger Nielsen,    | net 64, \$18.00 each |
| Third Place—Doyle Blaylock and Michael Peters, | net 66, \$10.00 each |
| Fourth Place—David Stone and Frank Motzkus,    | net 67, \$ 5.00 each |

\$1.00 is left over and goes to the prize fund.

**Next Week** is the One-Man Scramble. For each shot you may hit two balls, select the best ball and then hit two balls from that location and so on until you hole the ball. We will play in groups of three. **Shotgun Start at 10:30 a.m.**

Don't forget to get your Match Play entry form in. Competition begins June 3<sup>rd</sup>. We are expecting payout to be in the six figure range.....okay two figure range, but it will still be a tournament you will not want to miss.

See you next week,  
Roger Nielsen
