

GAME RESULTS FOR Thursday, November 12, 2009

It was a bit cold, but we still had a good turnout, 13 players. Of course it helps to have a board meeting after the event as that accounted for 8 of the players who showed up. This makes our last event for this season. I am informed that the course will close this Sunday. So you still have a few days to test out that new swing, or to determine that you need a new set of clubs for Xmas.

1st (surprise, surprise) was Dave Stone with a net 57, paid \$20.00;

2nd was Doyle Blaylock with a net 63, paid \$15.00;

3rd was Marv Pierce with a net 64, paid \$12.00

4th was Jimmy Rogers (by a match of cards) with a net 65, paid \$10.00

5th was Curry Jameson with a net 65, paid \$8.00.

Now that the season has come to a close, I will try to get Kyle to update the money winnings list. This way you will have proof that Dave Stone is a dependent of yours so that you can claim a deduction on your income taxes.

See you next year.
