PLUMAS PINES GOLF ACADEMY

(Formerly known as Feather River College Golf Academy)

Winter is flying by with our opening day of mid April just around the corner. I hope everyone had a wonderful holiday season and, even with the economy doing what it is doing, is looking forward to a happy and healthy 2010. The Graeagle area was blessed with a few feet of gleaming white snow in December making for a lot of sledding and snowmobiling or cozying up by the fire for all the locals. The views have been breathtaking, however, I must admit I am already ready for spring and that crisp sound of a well struck 7 iron! Not to mention my excitement looking forward to the **Plumas Pines Golf Academies** coming up this Spring, Summer and Fall.

The dates for this year's Spring, Summer and Fall Academies are: **May 16-21, June 6-11, June 13-18, September 19-24, and September 26-October 1.** The reservation form for these academies is included with this letter. Please note, we accept the first 42 students for each academy based upon the postmark date on the mailed application (**Only mailed applications accepted**). The June academies seem to have the highest number of applications so a quick turn around of your June application will help to insure your successful entry. We had a great time last year and are expecting this year to be even better. We hope to see you there!

We look forward to welcoming you to the Graeagle Area and beginning what should be a special golf experience in the beautiful Sierra Mountains. In the mean time, if you should have any questions or concerns, please do not hesitate to call me any time Monday through Friday from 9:00 a.m. to 4:00 p.m. at (530) 836-1420 or check out our website at www.plumaspinestgolf.com for on-line tee times, a virtual tour of the golf course and clubhouse, live web cam images of the first hole, our e-club and much more.

Sincerely,

Brandon M. Bowling, PGA

PLUMAS PINES GOLF SCHOOL
(Formerly known as the Celtic Golf Academy)

The Plumas Pines Golf School was developed from the feedback we received from our students who attended the Plumas Pines Golf Academy (formerly known as the Feather River College Golf Academy). Many students said that they would enjoy a smaller golf school that would provide more one on one time with the instructing professional including a significant amount of on-course instruction. The students also added that if they had the flexibility to choose their own dates throughout the summer for their school while still maintaining the wonderful food and beverage and lodging provided by the Plumas Pines Golf Academy they would have the best of both worlds. This useful feedback helped us to create a more intimate golf school called The Plumas Pines Golf School.

\$699 per person all-inclusive.
Limited to first 8 applicants
