The annual NNGA meeting is 3/28 at Wildcreek GC. Paul will ask Winston if he would like to attend for our club.

Bill to provide membership email list (electronic) to Curry and Dave. Curry and Dave will see if they have the ability to maintain the list and will report back to the board at the next meeting.

**Handicap Report**—Reviewed the proposed 2010 handicap policy, approved it for posting on the web site once the third member of the committee is confirmed.

Weekly tournament score cards will be turned over to Paul after Roger has finished with them. Paul and his committee will monitoring the posting of scores from these score cards. Individuals are responsible for posting their own ESC scores. Major tournament postings will be decided on a case by case basis.

**Tournament Report**—The zone four ball net tournament is too early in the season to enter.

The computer in the club house will not connect to the wireless network at Plumas Pines. Roger is authorized to spend a reasonable amount of money to get a specialist to fix the problem.

We are not getting enough folks in the match play event to allow good flighting. Board needs to encourage all members to play in the event.
