

Plumas Pines Men's Club, Inc
Board Meeting Notes
May 27, 2010

The meeting was held at Plumas Pines Pro Shop snack bar at 2:15 pm. Board members present were Curry Jameson, Rich Mellilo, Dave Stone, Randy McDonald, Bill Grijalva, Roger Nielson, Marv Pierce, Paul Jeglum, Doyle Blaylock, and Bob Conen. Larry Walker attended as a guest.

President's Report—Discussed the Purple Pride tournament being held at Whitehawk this year. Decided to ask Brad Miller (Portola High School golf coach) to come to the next board meeting to discuss how the selection of the golf course to be played is made and the financial support of the golf team.

The Men's and Women's mixer is on June 30th. Marv P. and Bill G. will help Curry with the purchasing of the food and the BBQ.

Board decided against perpetual trophies for the three major tournaments. Main reasons were: number of flights not constant year-to-year and there is a high likelihood the trophies may get misplaced.

Curry recognized Bob C. for all the work he has done for the club.

Spring Meeting Notes—Approved

Treasurers Report—We currently have about \$2,000 less this year at this time as compared to last year. Possible reasons are: more entries into the Mt. Classic last year and a smaller turnout for the three major tournaments. See treasurer's report attached to hard copy of these notes.

Membership Report—We have 115 members to date.

106 folks are in the hole-in-one pool. Some of these folks no longer are members of the club. Decided to keep a master list of all individuals who have contributed to the pool regardless if they are club members or not.

Handicap Report—Plan to audit today's and last week's games. Paul will send the results to the handicap committee.

Head Pro Report—Still planning to do the "set scramble" this year. Mark has cut in a lot of drainage this year. Course is in great shape.

There was a discussion on pricing for non-Plumas Pines members playing on men's day. Main concern is supporting the folks that purchased a membership; do not want to de-value the membership.

Tournament Report—Approved the use of the combo tees. Need to update the posting computer and pick a day for all members to play them. Combo tees attached to hard copy of these notes.

The unofficial results for the NCGA qualifier are Rich M./Barry M. and Paul J./Brad C.

Only 12 folks have paid for match play; Marv P. will do some additional recruiting.

Mountain Classic—There has been 14 T-sponsors to date. The raffle letters should go out by the end of next week.

Old Business—The 2nd recipient of the scholarship sent us a thank you letter, she is Annie Heskett; Randy Mc. will send her a check.

New Business—An additional red stake needs to be added to the top of the hazard on hole 15.

Next Meeting—Board decided not to have a meeting in June (temporary modification of the by-laws). Next meeting will be Thursday July 1st, after golf and lunch at Long Boards.

The meeting was adjourned at 3:40 pm.
