August 13th Meeting Notes—Approved

Tournament Report—Discussed slow play. The desire is to deal with slow play without being heavy handed. The club will ask the player assistance to tell the group when they are behind one hole and behind the time limit. If the players are behind one hole **and** behind time the group should break into twosomes and continue.

Mountain Classic—Discussed the logistics of the tournament. Randy estimated with three fights we might be a couple of hundred dollars in the hole. Raffle sales are the determining factor.

The meeting was adjourned at 3:30 pm.
